

Great Neck South High School PTSA

PTSA Newsletter: February 13, 2017

VOTE!
Tuesday, February 14
7am - 10pm
Baker (north of LIRR)
South High (south of LIRR)

- Please vote tomorrow on the proposed Bond. If approved, the Bond will provide funds for structural improvements to all buildings, including several repairs and enhancements to South High.
- I encourage you to be informed about the Bond so that you can make a decision about how you want to vote. Watch the video above, or [click here](#) to see details of what will be covered by the Bond. Everyone should have received this newsletter in the mail.
- These enhancements are meant to support improvements to strengthen our district buildings and programs for the next 20 years, just as the last Bond issue 20 years ago carried us through until now.

- The impact on your property taxes will be an additional annual cost of \$157.50 for every \$500,000 of your home's value. A home value of \$1,000,000 will see a tax increase of \$315 per year.
- For more information about voting, please call the District Clerk at (516) 441-4020.

Best regards,
Miriam Kobliner
PTSA President
