Reducing Student Stress

What can the school do to help reduce/manage student stress? [Submit your ideas here](#). This survey is an informal attempt to gather information.

Depending on the response, a committee of teachers, students and parents may be formed next year to explore the issues and ideas.

The Great Neck South High School Parent Teacher Student Association (PTSA) serves as an advocate for the education and general welfare of students attending Great Neck South High School (GNSHS). We foster communication and cooperation among the faculty, administration, students, parents and alumni of GNSHS. Our PTSA encourages parent involvement in activities to support GNSHS while promoting and celebrating the diversity of the GNSHS Community.
