

HOSA State Competition Winners

3/23/17

Members of South High School's Health Occupations Students of America (HOSA) Club recently took home a trove of medals, including over a dozen First Place, at the recent state competition.

Some 45 students competed and 37 medals were awarded to the students. Students medaled in such categories as: Creative Problem Solving, Clinical Nursing, Dental Science, Epidemiology, Forensic Medicine, Human Growth & Development, Medical Math, Medical Law, Medical Ethics, Pharmacology, Transcultural Health Care, and Veterinary Science.

HOSA Club activities are self-funded. Faculty Advisor is science teacher Dr. Steven Tringali. The purpose of the HOSA organization is to develop leadership and technical skills through a program of motivation, awareness, and recognition, which is an integral part of the Health Science Education instructional program.
