

# 2016/2017 GREAT NECK SOUTH HIGH MUSIC BOOSTERS

The Great Neck South High Music Boosters invite you to become part of the excitement of the Music Department at Great Neck South High School. Whether your child participates in the band, choir, orchestra, guitar, music technology, theory or any of our small groups, the GNS Music Boosters promote and provide for the appreciation of all musical endeavors in our school. No high school music program on Long Island has been recognized more by the *Grammy Foundation* or *Lincoln Center* dating back to 2003.

As you know, Great Neck South High is one of the only public schools in the country that produces a fully staged opera. Our music students perform on stage and in the orchestra. Each opera production is fully staged and costumed.

However, with all of the wonderful opportunities the Music Department provides, there are many extras that the budget doesn't cover. That's where "The Boosters" come in. By becoming a member, you can help us purchase equipment for the department and support our programs, which benefit each and every student.

Previous gifts to the department include a digital camera, audio recorder, video camera and sound system which are used to record rehearsals and performances.

This year's project will continue to focus on raising money to recondition one of our two Steinway Grand Pianos for the department. This is a major undertaking to raise the necessary funds.

Please help us provide a first rate musical education at Great Neck South High by becoming a member of "The Boosters" with your donation. All supporting families will be listed in the concert programs during the 2016-2017 school year.

Please join us in giving the Great Neck South musicians the BOOST they need!  
(Detach and return with your check)
